Your Portal Account

www.mycampuslink.com

Click here to log in or create a Student Portal account.

To create a new account, click “Create a New Account” at the student log in page.
www.mycampuslink.com

Connects you to your student records to give you immediate access to your most current academic records.

You can:

• Monitor your unofficial transcript, final grades, and class schedule.
• Access your student account information and make tuition payments.
• Review your financial aid, including FAFSA.
What is my username?
  Your username is your first & last name all lowercase, no spaces.
  Example: milesdavis

What if I forget the answers to my security/password reset questions?
  Unfortunately we can’t see your security question answers.

Can you tell me what my password is?
  No, we can only reset your password. We can never see your password.
Notice Degree Audit!

Find items under these menus. I have the “Academics” menu open here.

Find your GPA, final grades, unofficial transcript, and graduation & externship start dates under Degree Audit.
Portal Account Holds

Notice Holds here.

Holds will block important information!

If you have a hold, see or call our Business Office Monday-Friday, 9-5. 301-459-3650.
Portal Support and Questions

• The Registrar and your LRC Manager are your Portal support!

• I can answer questions about the Portal.

• I can troubleshoot or solve any Portal problems.
